# IMPORTANT NOTICE

## Read carefully before you travel

You purchased a travel insurance contract, now what? In your best interest, we would like you to understand what your policy covers, excludes and limits (a maximum payable amount may be applicable, for example).

Please take the time to read through your policy before you travel. Italicized terms are defined in the "Definitions" section of your policy.

- Travel insurance covers claims arising from sudden and unexpected situations (i.e.: *accidents* and emergencies) and typically not follow-up or recurrent care.
- To use this insurance, you must meet all the eligibility requirements.
- This insurance contains limitations and exclusions (e.g., *medical conditions* that are not *stable*, certain circumstances surrounding pregnancy and the birth of a child during a *trip*, excessive use of alcohol, and any *high-risk sports or activities*).
- This insurance may not cover claims related to *pre-existing medical conditions*, whether disclosed or not at time of policy purchase.
- Contact *Blue Cross Travel Assistance* before seeking *treatment* or your claim may be denied.
- In the event of a claim your prior medical history may be reviewed.
- If you have been asked to complete a medical questionnaire and any of your answers are not accurate or complete, your policy will be voidable.

It is your responsibility to understand your coverage.  
If you have questions, call **1-877-986-7681**.

Blue Cross adheres to the Travel Health Insurance Association (THiA)'s Bill of Rights and Responsibilities. The travel insurance industry has come together and designed this Bill to deliver a clear statement as to what you can expect from your travel insurance policies along with responsibilities you have when purchasing travel insurance.

The Travel Insurance Bill of Rights and Responsibilities builds upon the following golden rules of travel insurance:

- ✓ Know your health
- ✓ Know your trip
- ✓ Know your policy
- ✓ Know your rights

# EMERGENCY MEDICAL CARE COVERAGE

## Coverage description

The **Emergency Medical Care** coverage protects you from financial implications that may arise from medical services or care you receive during your *trip* following an emergency resulting from an accident or sudden illness while travelling.

### IN CASE OF A MEDICAL EMERGENCY WHILE TRAVELLING

Your state of health permitting, when a *medical emergency* occurs during a *trip*, you must inform *Blue Cross Travel Assistance* **before** going to a *hospital* or to a clinic, otherwise, your claim may be denied. This gives us an opportunity to:

- Confirm your coverage
- Pre-approve a *treatment*

If you are unable to call the assistance service yourself because of your state of health, a relative or a member of the medical staff must do so on your behalf within **24 hours** following the start of the *medical emergency*. Therefore, we strongly recommend you keep your contract number and our telephone number easily accessible in the event you need to reach us due to an emergency.

The numbers for reaching us can be found on the last page of this insurance policy and on your insurance certificate.

## Specific coverage provisions

To the “General provisions applicable to all coverages”, the following are added:

### 1. Supporting documents

To submit a claim, you will be required to provide us with one or more of the following documents:

### 2. Settlement between insurer and service provider

When a claim is the subject of a direct agreement between us and the service provider you have dealt with, you must provide any original documents required for payment of this claim, including the travel insurance claim form. Otherwise, you become responsible for the amounts owing or the amounts that we are unable to recover.

Failure to provide the required proof will result in the denial of your claim.

To extend your insurance contract:

- You must contact the authorized agent who sold you the original contract before the end of the *covered period* of your contract

# TO SUBMIT A CLAIM

## 1. How to get a claim form

Our claim forms are available on our website or can be obtained by contacting our customer service.

The contact information specific to claims can be found on the second-last page of this insurance policy.

## 2. How to submit your claim

Our responsibility is engaged only if you contacted *Blue Cross Travel Assistance* within the prescribed time frame, as stipulated in the **Emergency Medical Care** and **Trip Cancellation and Interruption** coverages and if you inform us, for the other coverages, of the damage, the loss suffered, or the event within 30 days following the incident.

In all cases, you must send us the completed claim form within 90 days of the event as well as all supporting documents and itemized invoices for services received or purchases made.

The contact information specific to claims can be found on the second-last page of this insurance policy.

## 3. Providing the necessary information

To process your claim, supporting documents may be required. A list of these documents can be found in the "Supporting documents" section for each of the coverages.

Proof demonstrating the duration of the *trip* might also be required.

Finally, we reserve the right to require, at our expense, medical examinations related to a claim and, if the law authorizes us, to have an autopsy performed in the event of death.

## 5. Claim settlement

Payment will be made through a cheque made out to the service provider, *contract owner*, or the assignee thereof, after receipt and evaluation of the relevant proof and necessary information relating thereto, in accordance with the established procedures. However, in all cases, we reserve the right to pay the service provider directly.

Any amount that we pay or that is paid on our behalf releases us, up to this amount, from any obligation.

If a claim is the subject of a direct agreement between us and the service provider you have dealt with, you must provide any original documents needed for the payment of this claim, including the travel insurance claim form. Failure to do so renders you responsible for the amounts owing or those we are unable to recover.

# GENERAL PROVISIONS APPLICABLE TO ALL COVERAGES

## Accuracy of the information provided

Your contract is established based on the information that you have provided us. When you purchase it, your answers must be accurate and complete, otherwise your contract may be cancelled and/or the claim may be denied.

If you see an error on your *insurance certificate*, you must immediately notify the authorized agent who sold the contract to you.

## Applicable law and jurisdiction

The contract is governed exclusively by the laws of the Canadian province where you normally reside.

Any dispute relating to the conclusion, interpretation, or execution of the contract will be submitted exclusively to the competent courts of the Canadian province where you normally reside, and the parties agree to abide by its jurisdiction.

## Contract modification by the insurer

The conditions of the contract cannot be amended unless agreed upon in writing by the *contract owner* and the *insurer*.

Should we choose not to or fail to call for the execution or observance of a particular contract provision, this shall not be interpreted as a waiver of our right to call for the execution or observance of any provision.

## Contract validity

The insurance is valid only if it is purchased and the premium is paid in full before the *contract start date*.

Travel insurance must be purchased before the departure date and for the entire duration of the *trip*, including the departure date and the return date.

If the contract requires an extension and such extension is refused by the *insurer*, the validity of the contract is maintained until the *contract end date* indicated on the *insurance certificate*.

## Coverages limitation due to coordination of benefits

The *insurer* is "secondary payer". Benefits provided for in the contract only cover excess costs not covered by:

- Another policy or travel insurance (individual or group);
- A law or public health insurance plan;
- Any other responsible party (for example, a carrier, a car or home insurance policy or a compensation program or fund). If you may be entitled to similar services from another responsible party, you are required to submit your claim within the stipulated time. The *insurer* reserves the right to reduce your benefits if you refuse or neglect to do so.

Benefits payable by the *insurer* are reduced so that the total of the sums paid does not exceed the amount that is the subject of the claim.

## Currency and interest

All amounts indicated in the policy as well as the amounts payable are in Canadian dollars. No interest will be paid on the amounts payable under this contract.

## False declaration, failure to disclose, fraud, or attempted fraud

In case of a claim, we verify the information provided, including your medical history.

If you or someone acting on your behalf misrepresents the facts, fails to disclose required information or attempts to commit fraud, whether it is upon enrollment, when submitting a claim, or at any other time during the life of the contract, the contract will be considered null and void.

## Health care quality and access

We make every necessary effort to get you the best available medical and *hospital* care. Neither we nor *Blue Cross Travel Assistance* can be held responsible for the quality of the care administered or the possible unavailability thereof.

### **Insurance premium**

Your premium is calculated based on:

- Your *age*
- The duration of your *trip*
- The insurance product and coverages provided in your contract
- The insured coverage amount, if applicable

### **Repatriation of the insured person**

No premium refund for early return will be issued when you are repatriated at the expense of the *insurer*.

In the absence of medical contraindications, we can call for your repatriation or your transfer to a different treatment facility.

**If you refuse this repatriation or transfer, we may terminate your insurance, and no premium refund will be granted. The termination notice will be sufficient.**

### **Return to province of residence at the request of the insurer**

In the absence of medical contraindications, when the Canadian or provincial government recommends that travellers return home while you are already travelling, we may require your return to the province of residence within a time frame that we deem reasonable.

### **Right of subrogation**

If you acquire a right to sue a third party under this contract, the *insurer* is subrogated to your rights to a maximum of the expenses reimbursed by the *insurer*.

You must always take the necessary measures to uphold your right to sue and must collaborate with the *insurer* in the exercise of its right of subrogation by, for example, providing it the required documents.

If you reach an agreement or accept payment from a third party liable for the insured event without our written consent, we will then be released from any obligation to you.

## Disclosure of your personal information

We may disclose your personal information to our representatives and to certain third parties to whom it is necessary to disclose it for the purposes for which it is collected, including but not limited to our employees, officers, directors, agents, consultants, and subsidiaries, other Canadian Blue Cross organizations, our reinsurers, partners, subcontractors, and service providers, or any third party authorized by law or regulation.

Third parties may include other insurance companies, the government, regulatory agencies, and financial institutions. Medical information may also be disclosed to your physician or other specialized healthcare provider, if applicable, in accordance with applicable laws.

We limit the information we provide to authorized individuals to only that information that is necessary for them to perform their duties.

Also note that your personal information may be saved and disclosed outside your province of residence. For example, your personal information may be stored on cloud-based solutions, which may require the transfer of data outside your province of residence or even Canada.

## Retention of your personal information

In general, our goal is to retain your personal information only for as long as necessary to fulfill the purpose for which we obtained it. However, you should understand that in order for us to comply with legal or regulatory requirements, we may be required to retain your personal information for longer periods. To this end, we have established a data retention schedule that is available to all our employees. The retention schedule helps our team better manage your personal information and ensure it is retained in accordance with legislation and regulations applicable to Blue Cross.

At the end of the retention period, as set out in our data retention schedule, your personal information is securely destroyed and/or anonymized in accordance with applicable laws, industry best practices, and security practices adopted by Blue Cross from time to time.
