

Dear valued partner,

Disability, Monthly Indemnity, Overhead Expenses and Tangible benefits rate review

Despite our best efforts to keep insurance premiums unchanged over the past few years, we had to carry out a significant rate review.

The increase is due to several factors, specifically a prolonged period of historically low interest rates and an upward trend in disability incidences observed in recent years.

Blue Vision® rate adjustment

Effective **September 1, 2021**, new business and in-force policies will have a rate adjustment for the following benefits:

BLUE VISION Global Plan, Express Plan, SME Plan and Association Program	
Benefits	Rate increase
Disability including Regular Occupation and Premium Refund (65)	Contracts issued prior to June 1, 2016: 12.5% Contracts issued on June 1, 2016 and after: 7.5%
Overhead Expenses	
Monthly Indemnity	7.5%
Express Monthly Indemnity	
Accidental Plan	
Disability	7.5%
