REFUND OF INSURANCE CONTRACT

In case of early departure or return:

- a refund of premium may be granted for unused days, provided **no claim was submitted during your stay**;
- days are considered used once the contract is in effect;
- administrative fees of \$25 are deducted from any refund.

The refund of premium does not apply to the following benefits or products:

- Trip Cancellation before departure
- Emergency Return benefit
- Annual travel insurance (with or without Package Option)
- Package Insurance with Trip Cancellation before departure
- Summertime Blue[®]

PROOF OF DEPARTURE OR RETURN

Please submit proof of departure or return with this request.

Proof must show that the insured person is in his province of residence on the specified date.

For Visitors to Canada, proof must show that the insured person is outside Canada on the specified date.

Proof may be, for example:

- a transportation ticket used for the return to the province of residence, or the departure from Canada in case of Visitors to Canada insurance;
- a bank or credit card statement under the insured person's name showing the transaction (location and date);
- a proof of purchase made with the insured person's credit card used to pay for the insurance contract (location and date).

Should you have no proof, the postmark on the refund request will be considered as the end date of the trip and the refund will be calculated as of the following day.

Departure or Return date: ____ / ____ / ____
DD MM YYYY

The refund will be issued by cheque to the person who paid for the insurance contract.
